

Use this template to create a Diversity Policy for your organization.

Commitment to Diversity:

Use this space to describe your organization's commitment to creating a diverse and welcoming workplace.

Details of Policy:

Use this space to identify the areas (such as recruitment and hiring, promotion and career development, etc.) that are addressed in your policy.

You can divide this space up into sections, and use one section for each of the areas addressed in your policy.

Party Responsible for Policy:

Use this space to identify who is responsible for putting the policy into action.

Policy Enforcement:

Use this space to explain how you will enforce your policy, monitor your policy etc. and any actions that you will take to address actions or behaviour that contradict your policy.

Communication of Policy:

Use this space to identify and describe the steps that you will take to communicate your policy to employees.
